

Electronic Devices and Watches on the Exam Day

- we encourage candidates to leave all their valuables, including mobile phones, smart watches and electronic devices at home
- however, if you do bring your electronic devices, mobile phones and watches (of any kind) with you, please note that they will be stored switched off (alarms disabled) in a secure (lockable) room outside of the exam room together with your belongings (i.e. bags and coats)
- you will have no access to any electronic devices (including mobile phones) till the end of the last written test
- also you will not be allowed to take your phone, any other electronic items or watches to the speaking test exam room and you must leave them in a supervised area
