

## EXAM DAY TIPS from our exam centre

**Get to the exam venue early. We suggest to arrive at least 30 minutes prior to the start of the first test.**

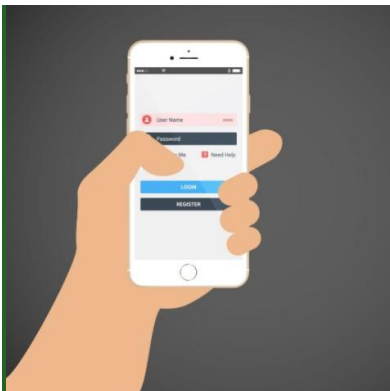

Find out where your exam will be held (date, time and address). The best search is done by post code.

Also check how long it will take you to get there.

You must have an acceptable valid photo ID document for the exam (e.g. passport, EU national ID card, biometric residence card) for all the tests. For Cambridge English exams driving licence is also acceptable. If you're not sure, please check with us.

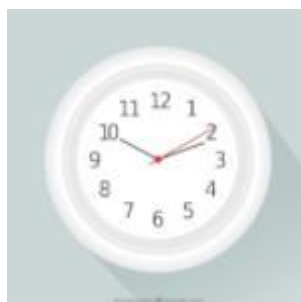

You have to switch off all electronic devices (e.g. mobile phones, tablets, ipads, etc.) and disable any alarms. Also you need to take off any smart watches (for some exams even ordinary watches).

You cannot access these items until the end of the last written test.

Please note that we will take your photo (and other biometric details depending on the exam).

You are not allowed to smile (neutral expression only).

Stay aware of the time during the exam – time management is essential. Most exam have end of test reminders.
